

Pacific Silkscapes Announces Commercial Christmas Entry

Jun 10, 2011

Pacific Silkscapes is now ready to serve commercial customers with indoor and outdoor Christmas trees, wreaths, garland, lighting and ornaments.

Pacific Silkscapes, the west coast's premier retail, wholesale and producer of high quality artificial plants, trees and floral products has decided to enter the commercial holiday tree and decoration business. Products will include Christmas trees, wreaths, garland, ornaments and decorating services. Pacific Silkscapes continues to diversify and expand its markets.

About Pacific Silkscapes: Pacific Silkscapes (also known as Inter Flora) is a leading wholesaler, retailer and producer of high quality, permanent florals that are both innovative and lifelike. Inter Flora designs are both low in maintenance and cost effective. For over 25 years, Pacific Silkscapes has provided legendary customer service through uncompromising commitment to customer satisfaction.

Pacific Silkscapes customers include model homes, hospitality suites, commercial buildings, government facilities and interior decorators.
